

Society's Mark^I

Established in 1858, Craigmoor, the oldest cellar door in Mudgee stands as an enduring milestone, reflecting the rich social history and wine heritage of the region.

Our winemaking & viticulture team work hand in hand to nurture and cultivate our Mudgee vineyards, showcasing the best that the region has to offer.

2018 Pinot Grigio

Varietals: Pinot Grigio

Region: Mudgee

In 1979, the society for the appellation of the wines of Mudgee created a mark to identify authentic Mudgee wines. This was part of a radical move towards Australian wines being labelled with their variety and region, something we simply take for granted today.

Winemaking Notes:

Our easy to drink Pinot Grigio is crisp and delicate with attractive spicy aromas. Apple and pear notes are finished with a textured mouthfeel.
