2019 Shiraz

Varietals: Shiraz
Region: Mudgee

In 1971 a cellar hand became agitated when the first Shiraz was being pressed, asking "...when will the water be added?". Now a long standing joke in the winery, the answer of course is that water is only added when the grapes are on the vines.

Winemaking Notes:

Supple, rounded Shiraz with appealing plummy fruits and a touch of spice. Well-integrated tannin, juicy texture and intensity of flavour.
